### Gridsum Announces Management Changes

BEIJING, September 29, 2019 — Gridsum Holding Inc. (“Gridsum” or the “Company”) (NASDAQ:GSUM), a leading provider of cloud-based big-data analytics and artificial intelligence (“AI”) solutions in China, today announced that Mr. Ravi Sarathy, previously co-chief financial officer of the Company, has been appointed as the chief financial officer of the Company, effective September 30, 2019. Concurrently with this appointment, Mr. Michael Peng Zhang, previously co-chief financial officer of the Company, has resigned from his position and will continue to serve the Company as Vice President in charge of corporate development.

#### *About Gridsum*

Gridsum Holding Inc. (NASDAQ: GSUM) is a leading provider of cloud-based big-data analytics and AI solutions for multinational and domestic enterprises and government agencies in China. Gridsum’s core technology, the Gridsum Big Data Platform and the Gridsum Prophet: Enterprise AI Engine, is built on a distributed computing framework and performs real-time multi-dimensional correlation analysis of both structured and unstructured data. This enables Gridsum’s customers to identify complex relationships within their data and gain new insights that help them make better business decisions. The Company is named “Gridsum” to symbolize the combination of distributed computing (Grid) and analytics (sum). As a digital intelligence pioneer, the Company’s mission is to help enterprises and government organizations in China use data in new and powerful ways to make better-informed decisions and be more productive.
